At the end of the day, every good criminal defense attorney is going to be aggressive. But like the man said "The Best Defense is a Good Offense" and you need a lawyer who can anticipate what the police and prosecutors are going to do and take action to counteract the State's every move. Call my office for a free no cost consultation regarding your pending criminal charges and talk to me about the best way to fight back

Call to set up an appointment with Kevin M Wray, Esquire
