

Need Models For An Erotic Photo Project (Norman)

I'm an amateur photographer based in Norman. Though I'm still an amateur, I've been doing this for 2 and a half years and have photographed about 36 women. I can send you examples of photos I've taken before if you'd like.

I'm working on a long term photo project that involves photographing women's faces while they achieve orgasm. Only the face and upper chest area is photographed and no nudity shows in frame.

Basically, you would be masturbating while I photograph your face. This is a serious project of mine and people will eventually be seeing the photographs, so make sure you're comfortable with that. I make no money at this, so I can't afford to pay, but I'd be willing to do any other types of shots for you in exchange.

I would need a photo ID and have you sign a basic release form.

So reply with a face pic if you are interested. Feel free to ask any questions you may.
