Location Oregon https://www.genclassifieds.com/x-465987-z

I'm a professional music producer and licensor for film and television with credits from networks such as CBS, FOX, E!, MTV, TBS, Tru TV, TNT, etc. and shows such as "House of DVF", "The Real Housewives of Atlanta", "BTN Live", "NFL", "March Madness", "Selection Sunday", "Impractical Jokers" and more.

I produce instrumentals ranging from upbeat rock to pop ballads to orchestral hip hop. There isn't a genre I don't create.

I'm currently producing ANY type of instrumentals, any length and style for artists looking for a catchy, well crafted track to write/record to as well as creating tracks aimed more towards placements in TV and film. I absolutely guarantee I can suit your needs for any type of music wanted. I don't charge for time but a set rate per track.

All tracks of any variation of Hip Hop, Trap or Pop are at a set rate of \$50 per track. All tracks of any variation of Rock, Dance/Techno are at a set rate of \$40 per track. I require NO credit for music I compose, produce and master. I require NO future royalties for any tracks I create.
