I need an EXPERIENCED MOVER to do a 4 hour job on Thursday, May 28th. It would start in Kenosha at noon where you would be loading a 26ft U-Haul truck from a 2 bedroom condo with 1 flight of stairs & may have to rearrange the truck with the items that will already be on the truck. Then the truck will have to be unloaded at a storage place in Waukegan, IL. I'm looking for a MOVER that can get his own helper. \$20 per hour for the Mover, \$15 per hour for his helper. Looking for someone that doesn't live too far from Kenosha. Call Chuck at

CHUCK'S MOVING SERVICES, KENOSHA, WI. Call & leave a message anytime or email me your name, age, experience & if you can get a helper. I will be calling you between 8 and 9am on Thursday, May.
