If you've always loved the look of masonry, you're in good company. At Set In Stone Masonry, we combine age-old masonry and stone work techniques with contemporary balance to build our masterpieces for modern-day homes in Texas. Our skilled stone masons will help develop your ideas and use our years of experience in brick work and stonework to craft truly unique home improvements for your home--both outdoors and indoors.

If you'd like to create an outdoor living space at your home, the masonry professionals at Set In Stone Masonry can design a space for you that will fit your family's lifestyle and budget. If you often entertain for business and pleasure, you'll love how easy it is to do with an outdoor kitchen and outdoor bar. We can craft an outdoor kitchen for you that includes many of the amenities of your indoor kitchen.

A masonry contractor can customize the design and brick work materials to your specifications and to the design of your home. You'll easily be able to prepare everyone's beverage of choice while at the same time enjoying the outside stone patio area, complete with a brick masonry outdoor fireplace.

Set In Stone Masonry can also handle all your indoor stone masonry work, including brickwork repair and installation. Naturally, everyone loves the look of an intricate fireplace. If your home didn't come with a fireplace, we can put our indoor masonry construction skills to work for you. We'll help you design a fireplace that will look as if it's always been there. Or, if your current fireplace isn't your particular style, we can replace or add a brick facade or stone facade.

Your kitchen can also be a showpiece when it shows off the stone work of a masonry contractor. Your countertops, floors and backsplash are just a few of the areas where a stone mason can make a big difference in your home.

Regardless of the home improvement project you're seeking, brick and stone masonry can add the touch of character and elegance your home needs. If your home is in dire need of a face-lift, Set In Stone Masonry can install a brick masonry or stone facade. These updates can completely change the appearance of your home and make it feel like you've moved into a brand new, sophisticated looking structure. If you'd like, we can even add a brick work mailbox to match the facade of your Texas home.

Installing a brick or stone facade can add the beauty and character that you are looking for a taste that will appear to be a sides that is a protection for your home. All built by a brick mason who is also a state-licensed contractor.

At Set In Stone Masonry, we can handle all of your indoor stone and outdoor stone masonry needs. Rest assured, we will do what we say we will do. Count on Texas Masonry for on-time craftsmanship with modern-day style.

We primarily work in Northern Texas and most commonly in Fort Worth, Mansfield, Arlington, Grand Prairie and all other surrounding areas.
