I am a married veteran retired from Milwaukee County. Several hospitalizations and loss of work hours, from my part time job, have put me behind in my monthly payments of \$909.37.

\$3000 would allow me to satisfy the bank, \$6500 would bring me current. I would appreciate any help I can get.

I will sign a promisory note and pay any reasonable interest.

I have returned to my part time job. I earn \$3,200 to \$4,000 a month, depending on overtime.

Pray for me.
