Are you a caregiver who is sensitive to the chemical-sensitivity of your clients? I have a friend who is in need right away of someone to care for her. I am helping her to find someone, by posting this ad on her behalf. If you are in need of some hours, and you are a very caring, considerate, and responsible person, please reply. She needs someone who lives in Mesa or nearby. I will give you the details. Thanks so much. Hope to hear from.
