I have a nice room for rent in my 3 bedroom apartment that is unfurnished with separate bath or with a bed which includes utilities of electricity, cable & wifi and parking. The apartment is located in Gwinnett County and is walking distance to shopping stores and nice restaurants. I'm searching for a elderly that is independent who is looking for a quiet, nice and clean neighborhood that is culturally diverse. The room for rents for \$600. Must have clean background and non-smoker. In addition, there is a swimming pool, tennis court and fitness center in the community. If any questions call Ms. Trina @
