I know it makes you feeeeeeeeeeeel better Pussy Boy to call us conservatives pillow biters as you have your face firmly planted into your head rest or Retired Milifairy's anus, whatever the case may be.

And it makes you feeeeeeeeeeeel better to call us Stains when you yourself and your LibStained ilk are the stains in America's underwear...

And it probably makes you feeeeeeeeeeeel even better to copy the OP asking you 'Why is it that you Stains can afford beer, liquor, cigarettes, pot, dope, tattoos, smart phones, sports gear from head to toe, big screen TVs and every other luxury life offers but you can't afford to pay for your own food, housing or health care?' but changing a few words to fit your own Pussy Boy agenda...

But I will remind you Pussy Boy because obviously your pea brain is so soaked with RM's spooey that you can't think clearly anymore, as if you ever could.

Yeah I buy all you mentioned below with the exception of cigarettes, pot, crystal meth and tattoos. Those are vices of yours Pussy Boy. But the thing is, that all the things we conservatives buy with our own hard earned money, we still pay for our own food, housing or health care unlike LibFags like you who let our tax dollars pay for yours.

So, instead of just copying the OP and changing a few words to make yourself feeeeeeeeeeeel better as you continue to suck on America's teat and Retired Milifairy's needle dick, why don't you answer the question why are you Stains liberal? Why are you Pussy Boy?

Why is it that you Stains can afford beer, liquor, cigarettes, pot, crystal meth, tattoos, guns, camouflage hunting gear from head to toe, ATVs, fishing boats, pick up trucks, NASCAR tickets and every other luxury life offers, but you can't afford to pay for your own food, housing or health?
