Hi,

I'm a real estate investor and owner of an investment firm (Atlanta Cash Offers, LLC.)

Our firm actively buys properties in Georgia.

I am looking to hire a limited number of personal property locators I can

work hand in hand with to help me find more properties to ramp up my business.

We are looking to buy at least 100 properties by the end of this year and are on track to do that.

However, to accomplish this, we need more feet on the ground. That is where you come in.

I am looking for VACANT, DISTRESSED, or just plain UGLY houses.

I am looking for people with "Foot on the ground" who can find properties for sale. I will pay \$500-\$1000 referral fees for every house you find. (You are protected by written agreement and paid in cash at closing)

No experience required. This is a very easy job that anyone can do in their spare time.

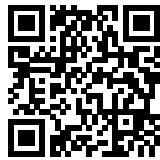

To make things easier, a Property Locator Manual will be sent to you via email.
