I have for sale a very interesting vintage Persian brass / copper / tin ice bucket made by the Nader factory located in Tehran, Iran. It is marked Nader / 27232. I am guessing it dates from around the mid 1900s. The copper liner is tin lined as is the inside of the lid. The wrought brass handles are held by copper rivets. The bucket is heavily decorated, displaying pictures of animals and rulers. Perhaps a hunting or warrior scene?

It is in great vintage condition for its age with no cracks, breaks, etc. that I can find, Measurements are 13"h including the lid, 8" in diameter at the top, and 6.5" in diameter at the base. The price for this vintage Nader Persian art brass/copper/tin ice bucket is \$30.

U pick up. Cash only. Please call with any questions or to view. (If no answer, just leave a VOICE message and I will call you.)
