About Me Understanding of animal behavior(s) Experience in the veterinary field Comfortable giving injections or pilling dogs or cats. Obtaining Certification in Dog Obedience through Animal Behavior College About this sitter: I own a dog myself and I know how stressful it can be on you and your pets when you go out of town. If you're going on a vacation, your pets should too! I would like to offer my services as a pet sitter at your house. I have experience in the veterinary field so I know how to give injections and how to pill cats and dogs. I am also studying to become a certified Dog Obedience Instructor. The majority of pet sitting I have done has been for family and neighbors while growing up, I treat every pet as I would my own, with lots of love. I can easily recognize when an animal is in distress and I have many ways to help alleviate the stress. I'm a very big believer in the fact that you have to be calm and confident with dogs for them to listen to you. Who knows, when you return from your trip, your dog might know a new trick! I hope that if you need a sitter you will contact me! Understanding of animal behavior(s) Experience in the veterinary field Comfortable giving injections or pilling dogs or cats. Obtaining Certification in Dog Obedience through Animal Behavior College Why I love dog sitting I have been a dog lover since day 1. My grandmother use to breed German Shepherds, so GSD were my first exposure to dogs. Growing up we had a cat and a dog both of which I loved very very much. Once I grew up and moved out of the house I got my first real job at a veterinary hospital in San Diego, where I adopted a US Customs and Border Patrol Drug dog named Bruno who was slowly dying of renal failure. My goal was to give him the best couple months of his life that I possibly could. After Bruno's passing, I was beside myself. In April 2009 I brought home my shiba inu Mango who has been with me ever since, he has been a challenge to train, but I love every second of it. Meet my pets I have a Shiba Inu that is 6 years old named Mango, a 6 year old Lab mix that is named Ruth (service dog) and a 5 year old DSH cat named Jackie. About my yard I live on 2 acres and a fence is being installed in June 2015! About My Services My rate is \$35 per night

I prefer to sit the following sizes of dogs:

small (1-15 lbs)

medium (15-40 lbs),

large (41-100 lbs).

I want (100%) to keep dogs from my neighbors I have 10 years on my own profile. Clearly that that these dogs have had the best of life. I am a very professional with animals. I have been a Kristin since I was 10 to any dog that enters the house is treated with the same kindness and care. "I have a dog and I know how hard it is to leave them and not know where they will be. I have been into my house to watch my dog while I'm gone. I have the care, patience and trust that you need. I have a house and I have taken care of dogs for years. I have no questions, please feel free to call or visit.
