

Wanted PT Nanny for Child with special needs (Wasilla)

Location

Alaska

My wife and I are seeking an in-home nanny that will allow for more 1 on 1 with our 10 year old son, rather than the 7 to 10+ ratio found in the larger facilities. Our son typically requires a bit more interaction, more information can be discussed.

We prefer in-home, your children are welcome.

We have 2 pets that are excellent with kiddos.

You should have Reliable Transportation.

8am - 530pm with a 4-5 hour gap during the day while our son is in programs.

Parks/KGB Area.

Feel free to call/txt at Nine80-7742.
