

# WORKBENCH Custom Made SOLID WOOD Work Bench (100 USD)

Location **California**  
<https://www.genclassifieds.com/x-467976-z>

I make this bench to suit your needs. Please allow 2-3 days for completion (it'll be worth it!!!).

GREAT GIFT IDEA!!!

Ideal for everyday projects in your home, garage, tool shed, or shop. Can be used to work on all materials and tasks: metal, wood, plastic, vinyl, laminate; cutting, drilling, sanding, grinding, bending, scraping, banging, machining, precision tasks, and simple projects. I use mine all the time and use it for most of the activities listed above.

Feel free to ask questions. More pictures available upon request.

- \*\* 4ft long, 20in wide, 31 to 36in high (depending on your needs--height not adjustable), 2in thick solid wood bench top
- \*\* I can make it 31-36 inches high, depending on how tall you are
- \*\* Height and length can be higher or longer for other needs (please let me know)
- \*\* Top of bench coated with durable chip resistant paint (or stained for non-shop needs)
- \*\* Very sturdy and durable---better than most available at a hardware store
- \*\* Superior reinforcement can hold a lot of weight and can handle heavy duty work
- \*\* Plenty of room to use a bench vise, bench grinder, pipe cutter, miter saw, drill press, band saw, metal splitter, etc.
