

Piano Tuner Thomas Penders.com (petaluma)

Location **California**
<https://www.genclassifieds.com/x-501012-z>

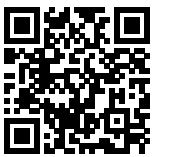

Piano Tuner: Thomas Penders.

Website: www.thomaspenders.com

To keep your piano in good condition you should have it tuned every 6 months.
Text, email or call for fast scheduling. Tuning a piano takes about 1 to 1 and half hour.

When is it time for a tuning?

- * Tune the piano after moving it.
 - * Tune the piano before a recital or event.
 - * Tune the piano before selling it
 - * Tune the piano when the seasons change.
- do NOT contact me with unsolicited services or
