MOBILITY = INDEPENDENCE! Volunteer to drive an ambulatory senior to a medical appointment or grocery shopping by volunteering for Rides for Seniors. This free, one-on-one, door-through-door rides program was started in 2005 and fills a gap in services for seniors who no longer drive and/or cannot access other forms of transportation. If you are a good driver, ages 25-75, and can provide an occasional ride to an ambulatory senior in your area based on your availability, please contact us for more information. A training session and background check is required and provided by Senior Helpline Services. VOLUNTEER! In order for us to respond, please leave a daytime phone number and email address in your reply.
