Site will develop multiple revenue streams, including advertising by doctors, and the marketing of alternative medicine products, videos (imagery/relaxation), audio (mp3), yoga, and patient advocacy (invoice auditing). This is a multibilliondollar market with unlimited potential. A companion site for clients of attorneys will be simultaneously launched.

Preference is given to women with large fan bases, women's-magazine cover models, national beauty pageant winners (those with state/local qualifiers), college graduates (esp. psychology/communications majors), yoga instructors, alternative-medicine practitioners, dancers, and those familiar with legal and medical terminology and jargon (i.e., can follow an episode of The Good Wife). We aim to present the greatest possible combination of presence and polish. The spokesmodel will be given a small percentage of gross revenue in the first year, with opportunities to market through the site.

NOTE: If called, it will be from a blocked number (to prevent late-night callbacks on our end). if you have a reel, no # is necessary unless you plan to audition.
