Location **California**  
<https://www.genclassifieds.com/x-501073-z>

I am an established Videographer and Director with extensive knowledge in the art Film Making. I will teach you everything from screenwriting, to storyboards, shooting with a DSLR, lighting, operate a dolly and crane, harnessing a lavalier microphone and editing with your Ipad, Iphone or computer.

Learn how to enhance your home videos or make your own online commercial. Maybe you want to make a feature length film or a quick meme. There are so many applications you can make in learning how to be a film maker or videographer. Your friends and family will love you when you learn Special FX, adding animated titles or even sound effects.

This will not be like a boring school where you get stuck for 6 -12 months. This will be an extensive one on one training from a real pro. Reference and portfolio available upon request. My studio is located in Huntington Beach for \$25 per hour or I can come to you for \$35 per.
