

Fix Display Turn Pegboard rack (Ky)

Location **Kentucky**
<https://www.genclassifieds.com/x-501156-z>

We are looking for someone that has experience and knowledge in setting up and fixing display turn style pegboard racks. This could turn into a more than 1x thing, as we are expanding into other areas.

The store we have in Florence, is wobbly I am thinking a screw is loose or something on the bottom.
