

Audio Visual Technician (Middletown)

Location **Kentucky**
<https://www.genclassifieds.com/x-501164-z>

Small local 29 year old technology company is seeking a part time Audio Visual Technician. The ideal candidate will have 2 or more year's audio visual/computer experience in the rental/staging industry. This person must demonstrate the ability to setup/operate wireless systems, mixing consoles, projectors, seamless switchers and various other AV gear. The ability to configure, setup, and network multiple computers and printers is also important. Overnight travel may be required a few nights per quarter. Hours vary but will be close to full time during the spring and fall.

Wage based on experience between \$11 and \$13 per hour.
