Lead singer here looking for original rock band. I've been singing for 12 years on and off. I have a 4 1/2 octave rance voice. I've been in 3 bands. One alternative/grunge band (consequence of change), one progressive rock band (Goliath), and one hard rock-band (whisky and the martyr) I want to join an existing or start a new Hard-Rock or Alternative band. My influences are alice in chains, nirvana, tonic, third eye blind, disturbed, soundgarden. I'd prefer to practice locally, but will commute if I see that everything is working out. I'm 100% serious, professional, and reliable. I want to practice at least twice a week and play shows once we have a good set list down. I want to take a band to the next level. I'm not looking for a jam band, I'm looking for a band that wants to actually make money playing. I know a lot of people in the business and can book us shows and gigs. Call or text me. Tom
