Hello I'm looking for a responsible reliable part time house keeper and nanny. Perhaps 2-3 hours per day 3-4 times a week. I would like to come home from work and my house is clean and someone is here to help me with the kids and dinner and occasional help on the weekends would be nice. Please send me a quick note about you and your rates if interested, thanks. Looking to hire asap. Please include rates I will not respond without it, thanks.
