JOB DESCRIPTION
Multi-Skilled Handyman
$20-30hr
Part-Time Positions Available

Providing homes and businesses with quality craftsmanship across all of their repair and maintenance -- inside and outside.

Our multi-skilled professionals specialize in everything from basic repair, painting, plumbing, electrical and installation tasks.

We can handle all specialized handicap and aging-in-place needs for ramps, grab-bars, railings, door handles and the like.

And, we can also set up a year-round home maintenance program for homes to help our clients stay ahead of minor repairs before they become more expensive problems.

We are an industry-leading repair & remodeling company for both residential and commercial properties. We are leading the way to standardizing the industry!

$20-30/hr plus Performance Bonuses, Flexible Scheduling, Advancement and Growth Opportunities, Regular Pay Reviews, Consistent Year-Round Work, and more!

All work is in the city and nearby suburbs.

We find the right fit for the job & you -> YOU provide the quality craftsmanship and customer service
