

Lawn needs rolling (New Brighton)

Location **Minnesota**
<https://www.genclassifieds.com/x-501418-z>

Need to have backyard rolled, approx 90x50, with a *riding roller* - hand and tractor-pulled can't do the job.

Would like it done within a couple days of rainfall. Slight grade. Maybe front and side yards, too. References +++ Email your contact info please and perhaps a ballpark for about 60-90 minutes of work (my).
