Location Minnesota https://www.genclassifieds.com/x-501429-z

Very rare opportunity for models to shoot in a portfolio development project with a seasoned, internationally published local photographer! Shooting sessions throughout the week in an amazing studio space in the arts district. Both new and experienced models are encouraged to inquire. Please submit recent photos and contact information via this posting. Shooting in all standard areas, high fashion, commercial print, glamor, editorial, artistic, etc. Looking forward to working with.
