My Number is

I am available after 4:30 pm M-F, and all day Saturday and Sunday.

ANY computer problem is $25.00 per computer whether it takes me 5 minutes or 5 hours to fix.

I do:
new File restore from viruses that have encrypted user files (i just restored 35000 data files that were encrypted by a virus) *new* Note: this is not guaranteed for everyone, and I will not charge you if I can't restore your files.

-Virus removal
-Spyware removal
-Windows reinstall
-Data Recovery
-Hardware Upgrades
-Diagnostics
-Networking (new router installation)
-Printer installation
..and much more!

I do not work on Apple PCs.

More about my experience today:

I have worked professionally in computer repair for over 10 years. My professional experience includes:
3 years as a volunteer computer technician for a non-profit organization -
4 years in a computer repair shop.
2 years as a student worker repairing pcs at the college I went to
7 years as the Manager of Information Technology for my current employer.
