I'm a 26 year old comic enthusiast that loves comic books from all ages and publishers. I have collected since I was 8 with a break during college. I love comic books and would love to have a shot at appraising or making an offer on your collection. Why you should sale to me? Modern collections from the last 15 years to comics from 70 years ago I will buy it all and pay more for it.

1. Top price paid cash readily available
2. I will buy the whole collection or just certain books you want top dollar for.
3. I travel to you
4. Will meet in public places
5. Reputable I have purchased over 200000 comic books in the last two years from Amazing Fantasy 15(1st Spider Man) Hulk 1 to current comic books coming out today.
6. I love comics I will treat them and you with the respect you deserve.
7. Understanding. I collect comic books and understand what it feels like to part with your priced collection.
8. Free Appraisals... I want to see your collection so bad I will come out and give you a free appraisal as well as my cash offer with out any payment or guarantee of purchasing the books.

If you have a collection of your own, if you found a collection or if you inherited a collection I will make it as easy as possible to get you a fair offer. Call me last or first I will be the highest offer for collections or single books I'm interested in period. You will have a pleasant experience when dealing with me guaranteed!!!!
