Hi, my name is Candiss. I am hoping to find a photographer, preferably a beginner, who is trying to build their portfolio. I'm hoping to build my portfolio as well, with about 10 shots of myself, in different areas of downtown Indianapolis. I have a couple of themes in mind and would love to discuss them further with an individual who is serious about photography and the art of it all. Would love to do this ASAP, and have a few shots to take along on some upcoming casting calls. Serious Inquiries!!
