This sweet little girlcat is very shy with people but would do well with another cat as its friend and companion. If you have a lonely friendly cat, she might be the perfect buddy for him or her. We can't promise she will ever bond with you, but she could be a great friend for a solo feline who craves the company of its kind while you are at work or at school.

She is around five years of age, estimated, quiet, calm and relaxed, good with her litter box and has been spayed, microchipped, tested clear of feline leukemia and fiv, given rabies and distemper boosters and treated against fleas and other parasites.

Please consider opening your home to her. She is a nice little lady and shouldn't have to go back out onto the streets again.

We are an all volunteer rescue dedicated to finding homes for homeless cats. Her adoption fee helps to cover some of our veterinarian costs.

Please contact us for more info on adoption, and thank you for your concern and help for rescued.
