Just bought a different trailer, looking to sell my HUGE TRAILER (\$1500 O.B.O)

Trailer used to be an RV Camper and has been converted. Double greased axle, and the tires are in great shape. Attached to the frame in the front is a great wooden storage box, for storing all your equipment. Trailer has working wired lights. All wood on trailer is pressure treated, only about 6 months old.

Has custom built 3/4 inch plywood accordion ramp to help for all your loading needs. Awesome trailer. Fits a 2 inch ball. Weighs about 1500-2000 lbs.

There is no title since it is self made. (Just tell the DMV that, and they will issue you a tag and registration for it).

CALL OR TEXT ANYTIME OF DAY (\$1500 O.B)
