Champion Juicer makes it easier to eat healthier, more flavorful foods.

Health professionals praise the nutritional benefits of adding fresh juice from greens, vegetables and fruits as part of a balanced diet. Champion Juicer's faster juicing process results in a richer, deeper colored juice with more flavor and nutrients.

Household Juicer Champion Juicer

Dependable single auger construction delivers continuous cool juicing with automatic pulp ejection. Heavy duty, high quality, long lasting juicer utilizes a 1/3 hp electric motor and stainless steel motor shaft. This juicer offers unmatched starting torque, updated front and rear endshield design, and front and rear ball bearings for smoother running and cooler operation. Durability and simplicity makes for easy assembly, disassembly and clean up

I bought this for my daughter to help her lose weight. She used it for about a month. It is in perfect condition. Original price \$265. There is lot of information and recipes on The Champion juicer website. Comes with all original parts and recipe and instruction book. Call no texts!
