I am having to sell my Rocky because I am moving into a place that does not allow dogs. He will be a year old on August 8th. He is registered. He is great with other dogs as well as children. I am not sure about cats. He has never been around a cat before. He is microchipped and up to date on all shots. I have a large wire kennel and a box of toys that can go with him if you want them. I also have just bought 8 months worth of flea prevention that will go with him. I am asking \$300 as a rehoming fee. Please email me, text me or call me if you are interested.
