Konig 180W/180A (Bought brand new last year)
 Metz3 rear shocks with good tread
 180W/180A front shocks with good tread
 Full black interior
 Rear seat delete
 Kenwood touch screen head unit
 Issues
 Rust spot on drivers rear quarter ~2" long
 Exhaust leak causing idle issues when warmed up

Leaks oil when parked

The car does have a few small problems but is clean otherwise and Ive only used high quality aftermarket parts. Once again I dont need to sell it just seeing if I get any offers. It has not been driven in the winter for the 8 years Ive owned it and there is no rust other than what was mentioned above. Looking for \$5500
