

95 Mustang GT 5.0 (5500 USD)

Location **Indiana** https://www.genclassifieds.com/x-501740-z

Selling my 95 Mustang GT. I've owned it for the past 8 years and thinking about moving on to something new but by no means need to sell it.

Has ~120,000 miles T5 manual transmission Motor is mostly stock other than cold air intake and exhaust Maximum Motorsports

- -Front coilovers
- -Rear adjustable lower control arms
- -Caster/Camber plates
- -Full length subframe connectors

Tokico illumina front struts

Lakewood rear shocks

BBK catless H-pipe
Magnaflow magnapack mufflers

Ford racing 3.73 rear gears Ford racing king cobra clutch MGW short throw shifter

Leaks oil when parked

The car does have a few small problems but is clean otherwise and Ive only used high quality aftermarket parts. Once again I dont need to sell it just seeing if I get any offers. It has not been driven in the winter for the 8 years Ive owned it and there is no rust other that what was mentioned above. Looking for \$5500

ONLY trades Id be interested in: clean 5 speed honda ek coupe or hatch + cash 5 speed integra + cash em1 si rsx-s srt4 5 speed bb6 prelude

I dont want anything with
