I have a 2004 Dodge Dakota sport 4 dr. 2wd 4.7liter V8 magnum, 212,xxx miles mostly highway miles. PW,PL,PD. AM/FM radio does have CD player but it wont discharge the cd. Everyday driver runs and drives with no issues, I would trust this truck to drive anywhere. Does have a slight oil leak around gasket always check oil level uses about a 1/2 quart in a month so not bad, can be a easy fix. Has a small dent on side of bed where a bread truck slide into me last winter could be popped out. Have clean Ohio title. I am the second owner, Asking
