Im selling a 1998 chevy silverado. 3 door power everything push button 4x4 5.7 vortech it has 155 thousand miles.. It was running perfectly when I parked it But i can keep it running with gasoline going to it manually.. Pretty sure it needs a fuel pump Im asking 1300 or best offer.. I had intensions to fix it but i no longer have the time i just put a step side bed on it.. Please feel free to call but prefer text 314-two-58-nine-423 thanks trades.
