Your little driver will have fun behind the wheel of the Step2 Easy Turn Coupe, which features a front castor wheel for 360-degree steering and easy maneuverability and a gas cap, ignition key and working horn that add realistic touches to help keep his or her imagination rolling. A push handle is molded into the roof to make pushing the coupe simple, and you can look in on your child while you push thanks to the roof's clear design. Cupholders for you and your little one help keep beverages within reach, and storage in the front trunk allows you to bring important items along on your trip. Made in USA. Design and colors may vary.
