

# Satechi Bluetooth Button Series (Media Button) (35 USD)

Diameter: 1.375 in.

Location

Maryland

<https://www.genclassifieds.com/x-501847-z>

The Satechi BT Button Series makes your phone even more accessible with a single press of a button. Attach the button to your keychain, steering wheel, or dashboard to safely and conveniently access your smartphone when it's out of reach. Access your tablet or smartphone even while it's in your pocket, purse, from the couch, and more!

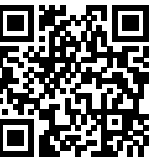

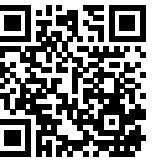

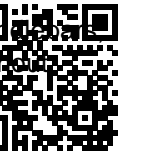

The Satechi BT Media Button puts media control at your fingertips with a single press of a button. Attach the button to your steering wheel or dashboard to safely and conveniently to control multi-media functions even when your smartphone is out of reach. Play/pause, forward/backtrack, and adjust volume even while your phone is in your pocket, purse, plugged into the wall, or elsewhere up to 40 feet away!

## Control Media Playback

The BT Media Button allows you to play/pause and forward/backtrack media, and adjust volume without reaching for your phone. Change songs without having to take your eyes off the road and control video play without having to get up from the couch.

## Bluetooth Connection

Simply pair the BT Shutter Button to your phone or tablet via Bluetooth. There is no software to install or any apps to download. The included CR2016 battery has an amazingly long battery life of up to 2 years and the wireless Bluetooth range is up to 40 feet.
