

# Show bred AQHA mare. 12 years old (2800 USD)

Location **Montana**  
<https://www.genclassifieds.com/x-501896-z>

Lark is a 12 year old AQHA Appendix mare and 15.2 hands. She goes back to the great Diversified and Rugged Lark. Most of her life has been spent hanging around the pasture, trail riding and sorting some cows here and there. However given her great bloodlines and sweet trainable personality I have started training her for hunter under saddle and western pleasure. She learns quick and has a super natural frame. She still has plenty of years left to make someone a great trail companion and show horse. She will stay in training until sold. I will add a video soon. Located near three Forks, MT
