

2009 F150 Lariat Supercrew (25000 USD)

Location **Montana**
<https://www.genclassifieds.com/x-501898-z>

2009 Ford F150 Lariat Supercrew. 4x4 5.4L Triton, 5 1/2 ft. box. Just over 63,000 miles. Has all the creature features you would expect in a lariat. Heated/Cooled leather seats with full power adjustments, Rear park assist, Backup Camera, Power sliding rear window, 6 disc and satellite radio. Has the 6 speed automatic transmission. Tow package with integrated trailer brake controller. Factory ford running boards and splash guards. Weather Tech Floor liners. Truxedo roll-up bed cover. Oil always changed with recommended Motorcraft 5/20 synthetic and Motorcraft filters. Firestone Destination A/T tires at about 60%. Very clean pickup, no cosmetic or mechanical issues, no leaks or drips. The only thing i can think of is the drivers seat shows some wear on the side but i had it touched up by Vinyl Pro. Ive been getting 17-19 mpg highway driving the speed limit. Only selling to get rid of a payment and i have a couple other vehicles so this one hasnt been getting driven much. I do have a loan on it so if you decided to do something our banks will have to get together and make sure everything is done safely/comfortably for the buyer and seller. KBB private party is \$27,027 in "good" condition. Asking \$25000 Call/Text/Email anytime with questions, click the "reply" button. Thanks for!
