

## Quickie S626 power wheel chair (400 USD)

Location **Montana**  
<https://www.genclassifieds.com/x-501919-z>

I have a Quickie S626 power wheel chair that is used but still works. All you need to do is get the 2 battery's and a cushion to sit on and foot rest's. There is a seat belt and your basic controls (left, right, back, forward) and tilt for the seat. The base is 25" wide X 34" long,,, , The seat is 17 5/8" wide X 21 1/2" long..max lbs. is 300..... I have only found 1 like new on Ebay for \$2,499.99 plus freight , SO \$400.00 there will Not be any payments or checks. THIS is cash only, also the chair is "as is" it has been tested, if it did not work I would have scraped it..... now to cut scammers out please add a color you like to the subject line.... if you don't... I will not answer. ....this add will go away after the item is gone. Thank
