Katniss is looking for a forever home. She is a Siamese snowshoe mix who has stripes and torti spots. She has the most beautiful blue eyes ever. She has the Siamese personality and thinks she is extremely beautiful. She gets along fine with other cats once she gets used to them. She is happy to sit on a cat tree and take a nap or a soft bed, or even a safe lap. She is really a very nice girl who deserves a forever home. She loves to play with fake mice, feather toys, and catnip carrots.

She has been tested for felv/fiv, spayed, declawed, microchipped, and is up to date on her shots.

She can only go to a home where they are patient, and understand cats, and a willing heart to give her a.
