I am a stay at home mom to a beautiful five month old baby girl! I am looking to open an in-home daycare starting mid July. I have eight fun years of childcare experience. I am CPR certified and I would be keeping ratios small. Five children would be my max, most likely it would be less. This way, I can give your child the attention they deserve! During the day, your kids would be doing arts and crafts projects, story time, play time (inside and outside!), music time and of course nap time! I provide a wholesome breakfast and lunch, along with two healthy snacks. I have a fenced in back yard, and a separate area for the kids indoor. Children can either be potty trained or not (we can work on it!). Part time or full time are welcome! Pricing can be flexible. Looking for children under 5 years of age! Hours are 6 AM to 6 PM.

Please feel free to contact me with any questions!

I hope to hear from you soon and meet you and your!
