I'm looking to re home my one year old female lab husky mix. Her name is molly very sweet dog but also skittish. Does very well around new people and kids but I have 2 other dogs and she is beginning to show subtle signs of dominance toward my 14 week old pit. She will do well outside she beams when she is outside. Walkable off leash and does well with recall. Rehoming fee \$50. Up to date on shots. Spayed. Sucks to have to re home her but I want her in a more fitting environment. Contact me if interested..
