Need help with an online class? Look no further.

Whether it be taking the entire class or just taking care of an assignment, I can take care of it for you.

I have my Bachelors and have completed the first year of my Masters.

I provide a wide range of services including, but not limited to: essay writing, completing online courses (undergraduate general courses to graduate level work), homework assignments, online quizzes and exams, and more.

Courses covered include, but are not limited to:

- \* Math (through Calc 2)
- \* Science (Chemistry and biology)
- \* Social Sciences (Economics, History, Geography, Political Science, Criminal Justice, & Sociology)
- \* Business (Accounting, Marketing, etc.)
- \* English
- \* And much more

I have received excellent grades for others (A's). Fees for a course range from \$300-\$500. Individual assignments start at \$25 and go up from there depending upon the type of assignment and complexity.

Email with course/assignment information to receive and individualized quote. Discounts are available for multi-course work and paying in full upfront. Email to learn!
