Do you have land, but need a house? Or do you need a lot to build a house? Or are you interested in both? The Sherman County Economic Development (SCED) Board owns an 1100-1200 sq. ft. house (two bedrooms, one bath, and a possible third bedroom/office) and a garage that the board is offering for free if you pay to move the buildings. The house has original wood floors and wood trim throughout the structure.

SCED is also offering free land to build a new house. The available lots are about 45 miles north of Kearney, 45 miles from Grand Island, 7 miles to the Sherman Reservoir.

See "Free House or Free Lot" for additional details and contact info at Free House News under "News" and "Nebraska."
