For sale Hailun H-31p upright piano. Bought 3 years ago and planning to move out of state.

- Still has 11 years of fully transferable manufacturer warranty (which includes free onsite technician support if ANYTHING is wrong with it). Still have the receipt and can put you in contact with the store I bought it from.
- Originally bought for \$6500 from a respectable piano store located in waukegan.
- I'm motivated to sell so price is \$4800 OBO.

Holds tune extremely well.  
 Very nice bass when compared to other upright pianos.  
 Hailun is a new and exciting name in the piano world due to their price and craftsmanship.

I've covered it with a sheet for the last 3 years in between minor use.
