I have two baby sugar glider left 1 male and 1 female. At only 9 weeks old they are very sweet, full of excitement, and love to play with the whole family. They have been hand-tamed since the day they were born, so you dont have to worry about them biting you. I am asking \$350 for them, but i am willing to negotiate. They are not your Standard grey face gliders, they are leu, hat platinum/ grey face. If you live far away don't worry I do have a delivery service where i can personally deliver to you. If you are interested please feel free to give me a text/call(voicemail) at the number below.

Thanks again look forward to hearing from you.
 Jay
