

Need Headshot (Towson)

Location Maryland
<https://www.genclassifieds.com/x-502128-z>

I need a simple headshot taken for a work profile. I'd prefer to take it outside if at all possible. I think if we meet at the location it would only take 15-20 minutes. I only need digital copies of the photos. I don't need any touch-up/photoshop work done. I would like to get this done June 13th or.
