I live in Upstate New York. My wife and I bought a 1999 Honda Accord and a 1997 Lexus. Both are older cars and we bought them without Titles. We had no idea getting Titles in New York State would be such a headache. A mechanic told us he thought we'd be able to get Titles in Maine because Maine is more permissive or liberal when it comes to car Tutles. He said a lot of of out of state non-Maine trucking companies register their trucks in Maine for that reason.

We are looking for someone reliable who can help us get our cars Titles in Maine. We are happy to pay a reasonable fee for this help. We are completely legitimate. My wife is a home healthcare aide and I am a local delivery driver. We are just regular people in a jam. We would drive up and pay you in cash for your help once the Titles are issued to you. We would send you money orders in advance for the fees. We just want someone reliable who can facilitate this for us. Please let us know. Thanks, Mike &.
